

Division of Personalized Tumor Therapy in Regensburg

How to find us:

By car

Coming from autobahn A3:

- Take the exit 100a and follow the direction "Universität/Klinikum".
- At the first intersection, turn right into Franz-Josef-Strauss-Allee.
- At the next intersection, turn right into Galgenbergstrasse and follow the road.
- After about 500 meters, turn left into "Am Biopark". Turn right at the first junction to continue on the road "Am Biopark".
- You will find Fraunhofer ITEM in Regensburg in the last building on the right-hand side.
- In the visitors' parking area on the right-hand side at the end of the road (last barrier), you can leave your car free of charge. Please DO NOT use the university parking on the left-hand side!

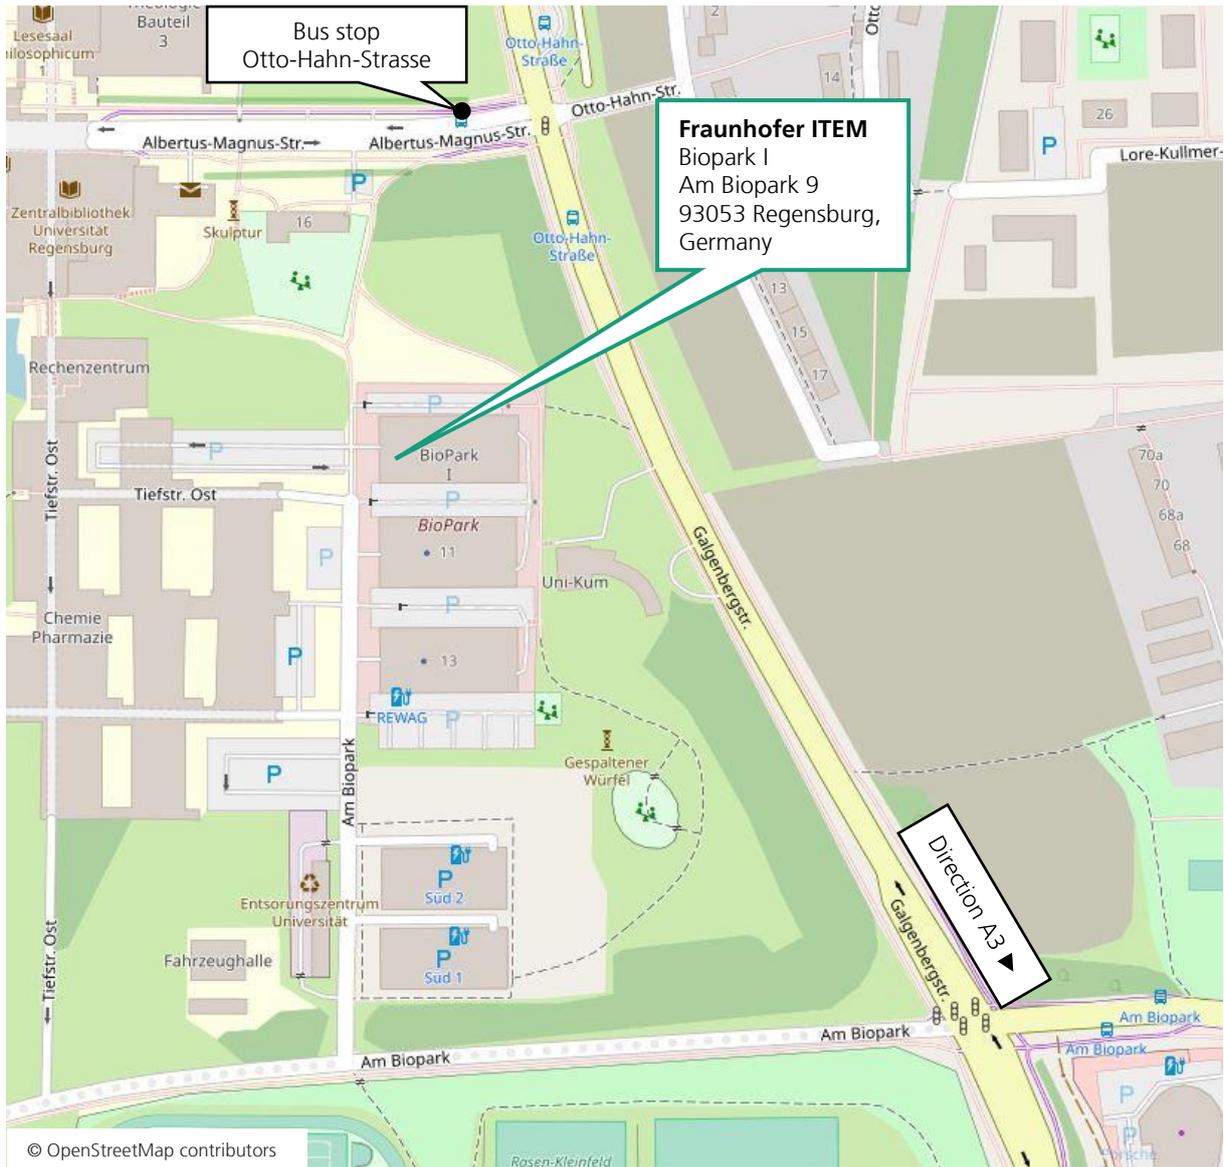

By public transport from Regensburg Central Station

By bus

- At Regensburg Central Station, take a bus of **line 6 in the direction "Klinikum"** (from gate 9) and get off at the **fifth stop (Otto-Hahn-Strasse)**.
- Cross Albertus-Magnus-Strasse, the road you arrived on.
- Take the path towards "Am Biopark" and follow this path.
- You will find Fraunhofer ITEM in Regensburg in the first building on the left.

By air

- Regensburg does not have an airport. The closest airport is **Munich**.
- From Munich airport, there is a direct train connection (once every hour) that will take you to Regensburg in less than 1.5 hours.
- Take the **Airport Express Train ("Flughafenexpress") in the direction Regensburg** and get off at the terminal stop "Regensburg Hauptbahnhof" (Regensburg Central Station).
- From there, follow the instructions given above under "By public transport from Regensburg Central Station".
- Alternatively, you can book the shuttle service [Airportliner Regensburg](#), offering both individual and shared transfers.
